April 2009 Ministry Report

Dear Partners,

Greetings from Belgaum in Jesus name,

Thank you for being a part of our ministry and in spite of the global economic recession we have lacked nothing. Our GOD is great and mighty. He fed Elijah with the assistance of ravens and water from the brook, and when the brook dried up he had another source. The God of Elijah is our God do not fear if a famine is coming your way the Lord has another source, Always! So trust in Him. The grace on our ministry flows into your life. Do not fear the swine flu as no plague can come near your dwelling. Your body is the temple of the Holy Ghost and no germ or virus can live in it. The world is going through a lot of turmoil but be of good cheer Jesus has overcome the world. He gives us his peace not as the world gives. So let's move on to serve our faithful creator, in the midst of all the turmoil the Gospel must go forth. The nations need Jesus. Our ministry is committed to the great commission. We are reaching across with the message of the cross.

Please continue praying for India. We have to go through two more phases of the elections on 7th and 13th. The results will be known on the 16th of this month. Do continue praying for favour on the congress-I and Manmohan Singh government. Though the voter turnout has been very low, there have been no serious untoward incidents. Thanks for praying.

Our Ministry is in the prayer mode and we have created two prayer zones, one at Almatti and other at Belgaum. You are upheld in our prayers. We have not been able to conduct a mini crusade in April due to administration reasons but we are planning a mini crusade at Bagalkot on the 10th and our Baptism Feast by the end of this month. Please pray about attending this. All our work is on schedule

and we are consolidating through the teaching ministry. Our mission training school is also taking shape.

I shall be sending you a news letter to your postal address. Please continue praying and supporting our work.

God bless you,
