Belgaum

To all our partners, Greetings in Jesus name from Belgaum.

Looking to Jesus the Author and the Finisher of our Faith. We started the year on the note, "the year of new beginnings". The Lord has certainly done great things for us so far and we continue to expect greater things from Him, as we also expect to do great exploits in His name. All glory to Him. The new thing that the Lord has started in your lives shall spring forth and there shall be showers of blessings. Thank you for being with us in your prayers and support. The hand of the Lord's favour is upon you.

In the last few months, our nation has seen a lot of discord, corruption and communal disturbance. The recent floods in Bihar will cost the nation very dearly in the midst of economic crisis. A major river changed course flooding 14 districts and effecting 35 lakh people. Only the Lord can help in this situation. There is battle on the streets of Orissa where Christians are accused of killing a VHP leader and for the first time Christians are engaged in communal clashes which cannot be controlled. This has already started having repercussions in the other parts of the country. Our Ministry sends out this emergency prayer request.

PRAY FOR INDIA,

1. Pray that India will remain open to accept the Gospel of Jesus.
2. Pray that the Church will rise up and take responsibility to pray and preach the Gospel in the streets.
3. Pray for communal harmony.
4. Pray against the spirit of murder and violence.
5. Pray that the government will take effective measures to curtail violence.
6. Pray that the Lord, raise up the apostolic ministry to direct the Church.
7. Pray for God's direction to the government of India.
