December 2007 Ministry Report

Greetings from Belgaum in the name of Jesus Christ.

I am blessed to send you this report on our Belgaum Ministry.

Our vision for this year was to set up the alpha team as Alters at North and East gates of the city. These are to be house churches led by two Pastor, Evangelists at each alter or gate. Eventually having four gates at North, South, East and West. There after to move into village evangelism.

The alter at the North gate is at Basava colony and Pastor Francis Kumar is in charge here. The East gate alter is also being established and Brother Kempanna is in charge. One Brother Santosh is joining at east gate and we need one more gospel worker at the North gate. The church at North gate is functioning and i am ministering here. At the same time we are moving into the villages for Gospel Work.

Our ministry has been facing considerable attacks from the power of darkness. We need prayer support in this area. Please pray that villages will open up to the gospel of Jesus.

We need to purchase two motorcycles and one Maruti van for this work. This is essential to move into the villages. Please pray for one more worker and vehicles.

We need a constant flow of support in terms of Prayer and finance to support the work. This is the reason for our exercise in extending our partnership base. Considering what we have already set up, we have not done too badly.

There is still one month for the year to be completed we are praying and believing for the vehicles and one more worker.

I want to thank all of you for understanding this vision and supporting the work.
WE MUST MAKE AN IMPACT.

Please continue to pray and support the work. The favor of God on our ministry will flow into your life. Whenever & wherever the Gospel of Jesus is preached you will be remembered.

I am praying for each of you on a daily basis. I believe that the Lord is bringing increase in every area of your lives.

To Him be the glory.
In His love and for the Kingdom,

Brother Colin Kyte
