December 2008 Ministry Report

Dear Partners,

I send my greetings, good wishes and blessings to you and your families. Let us take time to thank the Lord for his unfailing love and faithfulness, as we experienced through the year. I also thank you for standing with us, in support and prayer as we press towards the goal that the Lord has given our ministry. The Lord bless you abundantly. All our fulltime workers are in prayer for our ministry and all of you. We believe that the New Year will open with the glory of God on our ministry and all those standing with us.

The highlight of the month of December was the Bethlehem feast. We had celebrated on 23-12-08. Saju, Sethu and Sunil were with us. All our churches and pastors were present and we had a great time of rejoicing in the presence of the LORD. Sethu will be sending a report on this along with photographs. Thank you to all who made the special offerings for this purpose.

I feel that we have done our work for the year and we look forward to a more fruitful year ahead. We are recording 12 churches and the Holy Spirit is moving fast. We did not lack anything this year. I really believe that the work that the Lord began in each of our lives has been fulfilled. This day I am upholding each of you and your families before the Lord. The only thing that I would like to hear is well done good and faithful servant. Please pray and make your commitment to the Lord for 2009. It is a privilege to serve him and support the work of the Kingdom. All our fulltime workers send their good wishes to you for 2009. The lord our God bless you abundantly,

In the love of Yeshua,
colin kyte.
