## February 2009 Ministry Report

Dear Partners,

Partnership is all about doing things together, sharing the vision and working towards its implementation and fulfillment. Our slogan is "Reaching across with the message of the cross". Wherever you are the grace bestowed on us will flow into your life. India needs the message we preach. The answer to our nation's problems is Jesus. The world is sending out bad news. Do not fear! You are not part of that. I am expecting a wealth transfer to the body of Christ. Do not disconnect from the Kingdom of God, be a part of its eternal provision, "Of his Kingdom there shall be no end".

As you visit our website you will notice a new page added, "Ministry Page". Here you can look at teaching articles by **Andrew Wommack Ministries of Europe**. Read those and be blessed. We are also trying to put in some of our own teachings here.

Our ministry is doing well in the face of opposition. We are experiencing resistance to the gospel in the rural areas. The communal forces are again active and we have had to make some changes. I have visited our Khanapur and Gadinglodge churches and we are progressing here. This month I shall be visiting Mudhol and Bagalkot. Our work with the Lambani tribe is also doing well some more Thandas are opening up. This happens when there is an encounter and demons cast out and people get healed. We see a lot of this among the Lambani people. We are looking for a suitable boy from the devdasi community who we can raise up to work among the community in Hannur. Here we have around 30 believers from the devdasi.

During the next quarter April--June, we plan to conduct 2 mini crusades and the baptism feast in May. You have an opportunity to support this work and be blessed. In fact it would be nice if you make it to Belgaum for the baptism feast end May.

Kindly pray for our national Lok Sabha elections. Ask God's favour on the present UPA government for a second term and the communal forces be routed out once for all. Pray that India will receive the Gospel.

Our Br Vincent is getting married on 12 of this month. Our prayers and good wishes to him and his bride.

Once again thank you all for your support and prayers. The Lord bless you abundantly.

for the kingdom.  
shalom,  
colin kyte.
