July 2008 Ministry Report

Dear Partners,

The specific work that the Lord has begun in each of your lives is now beginning to unfold now and you will experience the fruit of being an active partner of CCM-I in the remaining months of the year. This is what I hear from the Lord when in prayer for you and testimonies are going to come forth from your lives and all glory to the Lord our God who has promised us that this is a year of new beginnings.

Last month I have been visiting our ministry locations along with Pst Francis and Caleb. We have had fellowship celebrations at each location, and the reports we have is very encouraging.

We had a meeting at Bijapur organized by Pst Suresh Pawar. The believers from Bavikatti-Thanda and Bijapur attended, there were around 50 people. We encouraged the church and were happy to hear their testimonies.

We had a similar meeting at Almatti where Pst Shastri arranged a good meeting of all his believers from 3 Thandas and one village. At Bagalkot we met as a small church and remembered the faithfulness of God as Pst Francis who handed over this work to me 16 years earlier could see the church standing in the face on opposition. This was very encouraging.

The work at Belgaum is also doing well and we have 3 small churches here. Br Sunil and Sethu visited one of the churches during the month. All other ministries are doing well. Saju reports that on next Sunday they will be conducting a Baptism Service for 4 to 6 people, this is also very encouraging. Our ministry now consists of 12 churches, and we are moving ahead, with the Message of the Cross.

I thank you all for your support and prayers, the favour of the Lord be with you, and his blessings be upon you.

For the kingdom

Shalom in Jesus,
colin kyte.
