June 2008 Ministry Report

Dear Partners,

I am delighted to remind you that you are all covenant partners in a significant move of God in these last days. The Message of the Cross is the only hope for the lost and we are commissioned to proclaim this message, in a land covered by darkness. Let us continue to bring light and life where darkness and death reign. The Lord bless you for your prayers and support. We have now crossed over into the second half of the year, and I want to remind you that this is a year of new beginnings and what the Lord has started in your lives since January will start to unfold now till you come into the fullness of his blessings by the end of the year. Prepare for this.

Since I shall be sending out a printed newsletter this month, I am keeping this very brief.

All our ministry work is doing well and by the end of the year we shall have 10 churches established and a gospel team at Belgaum. This is our vision for the year. The work with the Lambani tribes is doing well and our ministry is invited to Andhra Pradesh to start work with the Lambani people there. We have also started a work with Devdasi people in Karnataka, and this work is also gaining momentum. Our Whitefield church is increasing in numbers and there is a desire to start a village ministry here.

I was in Bangalore from 25-30 of last month is was a delightful time with Bobby and Tudy for two days and then ministry in the church on Sunday. You are all very special in the sight of God, and I pray the favour of God on you every day. A big God bless from me at Belgaum,
