## June 2009 Ministry Report

Dear Partners,

Grace to you and peace from God our Father. It is a joy, to be sending you this report. Let me say thank you for your prayers and support which enables us to move ahead in vision. We always remember each of you in prayer.

The world is still reeling under economic crisis but what is alarming is to see Israel under attack of anti semitism forces all over the world. "You will be hated by all nations.." said the Lord. We have to start, earnest prayer for Israel and for the Church to prepare for the coming of Jesus. The time is at hand.

June has been a good and satisfying month. I was able to move with the team and conduct mini crusades at Gadingladg, Londa and Vadgaon. We also conducted meetings at Belgaum East and I am pleased to report that souls are being saved and a revival fire is burning as we move with the gospel of the kingdom.

We have seen many healings and deliverances as the Gospel is preached and we pray for the needy. The Lord has done great things and some remarkable miracles reported. We give all the glory to God who has promised to be with us. I shall be sending out a praise report in the month of october with all the crusade news and testimonies. We find this work very effective in the villages where people are bound by the dark forces.

All our churches are doing well and there is good growth in the churches. New villages are also opening up. I shall be following this with a news letter to your postal address. This month I shall be introducing Br. Hanumanth of Thulsallahalli.

Do continue regular support and prayers for our work and the Lord will surely bless you,

For the Kingdom with love,
