March 2009 Prayer Request

Dear Partners in CHRIST,

This is an important communication to draw your kind attention towards the current affairs and political developments in our country.

Be Watch and Alert. Soak the country in Prayer, this is the need of the hour and day. Our nation is going through a very perilous time. We discern the Spirit of Lawlessness ruling over the Land and the Spirit of Murder and Violence operating under it.

It is a crucial time for the nation to decide on the next government in the general elections commencing 16 April 2009. We as a Ministry are not passive or indifferent in this situation. We are aware that if the communal forces come to power, the hidden agenda of the RSS will unfold. And they will exercise all attempts to prevent the Gospel. As of now they have started attacking our work in the rural area.

We see Our Mission being released through vision into Our Land under the Great Commission bringing into reality the Royalpriesthood and Holy Nation.

Please join us as we pray and agree to claim that we walk successful in drawing, extending and spreading the Grace and Mercy of the Lord to this land.

1. The Lok Sabha elections will be conducted in all fairness.
2. For a peaceful situation during elections.
3. For large Voter turnout.

casted away and shall not object the promotion of Gospel.
