### March 2008 Ministry Fellowship Report

Dear Partners,

Greetings from CCM-I Belgaum. The Lord bless and keep all of you for partnering with our Ministry.

The Lord will honor your faithfulness and your commitment to pray and support our work. Last month we prayed specially for all the children in our Ministry, may his face shine upon all the precious ones.

This month we shall be praying for your work and jobs. The Lord's favour be upon you.

Remember we are in the year of new beginnings. Think Big says the LORD "I AM THE LORD ALMIGHTY".

Last weekend I was in Bangalore. On Sunday, I ministered the WORD at our Whitefield Church in Bangalore. It was good to see the church growing and Saju coping with his pastoral duties. Brother Sunil is taking Bible studies and the Church is edified.

I was happy to meet Benson and his brother there. They spent time with us and I could catch up on things happening in Benson's life. It was good after such a long time. Jemy is back in Kerala, and could not make it to Bangalore.

On the last Friday of Feb, we had a one day conference in Belgaum and all our fulltime workers attended. We reviewed our work and encouraged one another. A lot of good things are happening in our Lambani Ministry. I will send you details in a few days time,

Please continue to pray and support our work we are in a crucial period. The first

quarter is coming to a close. I am praying for the expansion of our work especially in Belgaum area.

A Big God bless you from me,

For the kingdom,  
Shalom

Colin Kyte.
