March 2009 Ministry Report

Dear Partners,

Greetings from Belgaum,

I am delighted to send this report in Jesus Name. Of his kingdom there shall be no end. By His grace and all your support and prayers we have come to the close of the first quarter of the year. And we have done well. All our pastors are striving to achieve their goals for the extension of the Lords kingdom. Recently Pastor Francis visited Mudhole. I visited Bangalore and I am happy to report that the Whitefield church is doing well and there is growth.

Saju and Jeena are working with zeal and I was happy to meet with Jacob and Jyothi with all the rest of the members. I had the privilege to minister the Word there. I also met with Pastor Benny who is establishing a church at Varthur around 7 km from Whitefield. He has been provided a good facility there and we need to pray for him.

All other ministries are doing well we are having our pastors missions training every month and the fellowship is growing. In the present quarter we wish to conduct two mini crusades and the Baptism feast in May 2009. Please pray for these.

We have started experiencing some resistance to the Gospel in the village area and the communal forces have become active here. We have had to make some adjustments.

From the 16 of this month, our nation goes to the polls to elect the members of parliament. Please pray for favour, on the UPA government and for a second term for the Manmohan Singh government. We will be in much prayer for the outcome of these important elections.

I shall be sending you a report to your postal addresses please continue praying and supporting our work the Lord bless you abundantly,

for our King,

Shalom,
