## May 2009 Ministry Report

Dear Partners,

Greetings from Belgaum in Jesus name,

At the outset let me thank you all for your prayers and support being such an integral part of what the Lord is doing through CCM-I. God bless you all abundantly. We are covering each of you in prayer and thanking god for your partnership.

We have a new government at the center now with our previous PM at the helm again. This is answer to the prayers of the church and as you know our ministry has been praying for this for several months. So we clearly see the hand of the Lord here, and thanks for praying with us. The top priority of this government is internal security and communal harmony by this all communal forces have been warned and we see an effective door open for the work of the gospel and so we are praying and have decided that we must take advantage and give full thrust to the work of the gospel. This will be our focus for the next 5 years. We do not want to lose time. Please continue praying and supporting our work. India needs Jesus.

We conducted a mini crusade at Bagalkot and it was a blessed time all our old believers were there and it was a time to remember the Lords faithfulness. Our ministry started here in 1991=92.Pst Francis was with us and he was the person to have pioneered the work there. His church was broken down by the RSS. Thereafter Ps Shastri and I took over from him.

We have earmarked one boy from the devdasi community to take over the ministry at Hannur with the devdasi community. We are praying about this. We have inducted a Lambani br into our Lambani ministry. He has joined us and is working with Ps Shastri. I have been busy conducting small gospel meetings around Belgaum and this is very encouraging as people are listening and the Lord is moving mightily. We will continue and intensify this work.

All other churches are doing well and the ministry is growing our baptism feast has been postponed. I shall follow up with a printed news letter to your postal address. Thank you once again for your prayers and support.

The grace of our lord Jesus be with you.

Shalom,
