October 2007 Ministry Report

Greetings in Jesus name from Belgaum.

Our ministry is blessed to have you as our founder members and covenant partners, the favor on our ministry will flow into your lives, to set you apart as Gods chosen and favoured people.

The next three months will show increased success in all that you put your hands to. I am in at all times of prayer for each of you.

We are pleased to report the following.

1. Saju and Jeena to take over as Pastor of Whitefield church. Please uphold them in prayer.
2. Benson and Jemy are blessed with a baby boy Benjamin, on Oct 03 2007. Trust mother and son are doing well.

We have entered the last quarter of the year, and this is the time to put in some hard work so as to accomplish what the Lord laid on our hearts for the year. Please use the brochures that i have sent to you and try and make committed partners for our ministry. This is needed for our expansion. Please pray about this.

I will encourage all to establish some ministry work at your locations. Our churches at Bijapur and Almatti are doing well. The outreaches are increasing and more villages and Thandas are being covered. We have provided Br Suresh with a two wheeler and he has become more effective. We will be conducting a baptism service at Bijapur and Almatti this month. Also at Madugiri, the church

assembles in a rented place and some are ready for baptism. Br Hanumanth is looking after this work.

I am sure the church at Whitefield will do well as Saju and Jeena put in their efforts supported by Jacob and Jyothi. Br Sunil is in charge of the Bible Study. There is great potential here. I visit Bangalore every last Saturday and Sunday.

At Belgaum we have set up the North gate altar\church at Basava colony. This started on 01 July. We are working at it. We are required to start or establish on more church by end of this year. Please pray for the work at Belgaum.

In order for us to complete our task this year please pray and send your best and sacrificial offerings. Those who have not been able to send support regularly can make up during this last quarter. The Lord will bless you and prepare you for greater things in Year 2008, to him be glory and dominion. Please uphold Benson in prayer he is in the process of constructing our web site. Please send in your suggestions for our ministry and any questions you have. Also mail your prayer requests to me. We are committed to prayer for you we have experienced many prayers answered and God gets all the glory.

Once again thank you for being with us and the lord our God bless you abundantly.

In His love,
Colin Kyte.
