September 2007 Ministry Report

Greetings from Belgaum in the Name of JESUS CHRIST.

On Sunday the 30th September, we conducted the ordination of Saju Eappen as "Pastor" of our Whitefield Church and he takes over as the Pastor from that day.

This is in obedience to Gods call on his life and the Church has recognized the call. This is a blessing for our ministry and personally for me. I want to encourage you all to wait on the Lord and find out what the Lord wants you to do. Everyone has a call big or small call, so lets all enter into His call and I am sure that all of us want to hear the words "well done good and faithful servant".

Lets uphold Saju and Jeena in our daily Prayer and lift both of them to the throne room Grace of Our Lord & Saviour JESUS CHRIST, so that they be enabled to execute all their responsibilities,
